**February 2016 Michigan Bar Examination Results**

The results of the February 2016 bar examination were released to applicants on May 12, 2016. The results were mailed by United States Postal Service to the address registered with the Board of Law Examiners. **If you have moved and have not advised the Board's office of your new address, mail this information to the Board of Law Examiners immediately. Address changes will NOT be taken by telephone, email or fax.** Applicants who do not have character and fitness clearance or who have not passed the Multistate Professional Responsibility Examination (MPRE) will receive unofficial results only and do not appear on this list. Applicants who have not been certified as having graduated from law school will not receive *any* results until that certification is received by the Board of Law Examiners and do not appear on this list.

> DO NOT call or email the Board of Law Examiners or the State Bar of Michigan for results information. Results will not be released over the telephone or by email.

Unsuccessful applicants should refer to their results letter for applicable forms, fees and deadlines for the July 2016 bar examination. Unsuccessful applicants who do not have character and fitness clearance or who have not passed the MPRE are not eligible to retake the examination until clearance and a passing MPRE score are received. Those applicants will not receive reexamination forms until eligibility is established.

**You must wait ten business days for the delivery of your results.** If you have not received your results by that time, you must submit a written request to the Board of Law Examiners to receive a duplicate results packet. Your request must include the following:

- A statement that you did not receive your original result packet,
- a statement promising to return your original result packet if received,
- your full name and current address.
