

**STATE OF MICHIGAN  
DEPARTMENT OF STATE POLICE**

**DATE:** May 18, 2015  
**TO:** District Court Judges and Administrators  
**FROM:** MSP Criminal History Section  
**SUBJECT:** ICHAT Programming Change

---

Effective April 1, 2015, arrest-only open records no longer will be removed from ICHAT after a year. So all arrest-only open cases where the date of arrest is on or after April 1, 2014, will remain available to the public until MSP receives data making them non-public.

Until further policy decisions are made, arrest-only open records where the date of arrest is on or before March 31, 2014, which have already been filtered off ICHAT will remain filtered off ICHAT. And all cases closed without convictions will also remain filtered off ICHAT. However, the policy will likely change in the next few months.

Please direct any questions to Ted Kilvington, MSP-Criminal History Section, at [KilvingtonT@michigan.gov](mailto:KilvingtonT@michigan.gov) or 517-241-0612.
