

COMMUNITY SERVICE WORK IN LIEU OF PAYMENT

- ◆ Judge sentences defendant
- ◆ Defendant fills out affidavit and defendant's financial statement
- ◆ Determination is made by collection department if defendant does not have ability to pay in full
- ◆ A dollar amount is determined by collection department to allow community service work to defray assessments
- ◆ Collection department sends defendant to Community Corrections where they place defendant at an approved work site and \$8.00 per hour of time worked is reduced from court assessments
- ◆ Community Corrections reduces the balance of defendant's assessments in software system and collections department collects balance
- ◆ Typically there is a reduced monthly monetary payment in addition to the community service work performed
- ◆ Minimum state costs, crime victim's rights assessment, drivers license suspension fees, and restitution are never worked off with community service
