CDRP Center Directors:

Attached is the 2010 CDRP Grant Application. We have removed the several questions from last year regarding court activities, and to help understand the impact of the economy on the network of centers, have included a question regarding the economy's impact on the centers.

Our target date for providing you with the 2009 "funds available" document is November 17. As usual, if we receive the necessary financial information from Treasury earlier, we will also provide you with the "funds available" document sooner.

The application is attached in both pdf and Word formats.

Feel free to be in touch with any questions.
