Center Directors:

The MACM leadership has sent the following message out to Friend of the Court offices:

"This year's Michigan Association of Court Mediators (MACM) Advanced Mediation Training Conference will be Wednesday, September 15 through Friday, September 17. Please mark these dates in your calendar, as MACM will be celebrating its 25th Anniversary of providing quality advanced mediation training in 2010. I will follow up soon with more details about the conference, including information on the presenters and special activities to celebrate this impressive milestone."

The program is not finalized, however Martin Kranitz is tentatively scheduled to be the main presenter:

Given the growing number of CDRP domestic relations mediators, our office will be assessing with MACM how we may be able to support center staff and volunteers' attending the program.

Location: Crystal Mountain Resort, so this may be of particular interest to Northern MI mediators.
