Center Directors:

The 2009 Case Trend Report for all centers is attached. We have incorporated a recommendation offered last year to add the total disposed cases. We have also combined "arbitrated" and "facilitated" into one category given the low numbers in both fields.

By way of a reminder, "core" cases include conciliation, mediation, mediation with partial, mediation without agreement, facilitated, and arbitrated. In these charts, the lower shaded area reflects the total of the "core" case activity, on to which is added the total of other case dispositions, to derive the uppermost "total disposed" line.

This document will also be available on the CDRP Admin Site under Correspondence/2010.

Thank you,
Chris
