The Michigan field office of the Corporation for National and Community Service (a Federal agency dedicated to national service programs, community service, and volunteerism), is currently accepting Concept Papers from nonprofits, government agencies, and faith-based organizations interested in placing small numbers (7 or fewer) of AmeriCorps VISTA (Volunteers in Service to America) full-time paid volunteers beginning this summer, in affiliation with the Federal stimulus package. These volunteers assist with program planning, resource development, community outreach/collaboration, strategic planning, and any other indirect service activities. Interested parties should contact State Director Evan Albert at ealbert@cns.gov or 313-226-3024.
