

One Court of Justice

Michigan Supreme Court 2006 Annual Report

Circuit Court Statistical Supplement

In the Fall of 1997, the State Court Administrative Office commenced a project to revise the trial court caseload reports. The project was initiated partly in response to the creation of the family division of circuit court, but also to bring more uniformity between the three trial court jurisdictions. This new reporting system was implemented January 1, 2002. For caseload trends analysis see the *Michigan Supreme Court 2006 Annual Report*.

Much of the information in this report is due to the hard work and dedication of the trial courts and their information technology departments, the Judicial Information Systems, and staff of the State Court Administrative Office.

The caseload data for 2006 is provided in both a summary format and a detail format. The summary format is organized under categories that had been used in previous years so that comparisons can continue to be made from one year to the next. A legend is provided which explains under which category case type codes appear in the summary. The detail format shows the totals by each case type code.
