RE: Performance Measures Posted to the Internet

---

Last month each court was given an opportunity to review its own performance measures data to be posted to the Internet. Pursuant to the Performance Measures Implementation Plan, this month SCAO posted those measures at <http://courts.mi.gov/education/stats/performance-measures/pages/default.aspx>.

There are 83 separate webpages, one for each county, with the following three performance measures:

- Recidivism Rates for Sobriety and Drug Courts
- Child Support Collection Rates
- Clearance Rates

If you have any questions about these webpages or the Performance Measures Implementation Plan, please contact Laura Hutzell, Statistical Research Director, at [hutzell@courts.mi.gov](mailto:hutzell@courts.mi.gov) or 517-373-2222.
