

Circuit Court Caseload

- Specific event types, disposition types and or program/results may be necessary in order to be counted correctly on the report.
- The disposition for a case will be reported under the line representing the highest form (lowest line number) of the final disposition within the case.
- Cases that are assigned or transferred and are not to be counted on the court’s caseload should be noted with a “Y” in the “Caseload Omit” field on the Edit Case screen.
