Case No:
Circuit:
Court of Appeals:

Please read before completing form.

- MCR 7.204(H) and 7.205(D)(3) require an **appellant** in a civil action to complete and file a docketing statement within 28 days after the claim of appeal is filed or the application for leave to appeal is granted. Failure to timely file this document may lead to dismissal of the appeal. An appellee may respond by filing a separate docketing statement.
- This document will be used to screen the appeal for suitability and eligibility for the settlement conference program, and will be used to help resolve jurisdictional and transcript issues. It is important that you complete this form accurately and legibly.
- The issues identified in the docketing statement do not limit appellant's presentation of the issues in appellant's brief. Omission of an issue in the docketing statement will not provide a basis for a motion to strike appellant's brief.
