E-filing Rules for the 13th Circuit Court
(Antrim, Grand Traverse, and Leelanau
Counties) as Michigan Courts Transition
to a Statewide E-filing System

On order of the Court, Administrative Order No. 2010-4 is amended as follows, effective January 1, 2016.

[The present language is amended as indicated below by underlining for new text and strikeover for text that has been deleted.]

~~Adoption of Administrative Order to Implement E-filing Pilot Project in the 13th Judicial Circuit Court~~

On order of the Court, the 13th Circuit Court is authorized to continue its e-filing project during a transition period while the State Court Administrative Office prepares and implements a statewide e-filing system. ~~implement an Electronic Document Filing Pilot Project. The pilot project is established to study the effectiveness of electronically filing court documents in lieu of traditional paper filings. The pilot project shall begin July 1, 2010, or as soon thereafter as is possible, and shall remain in effect until July 1, 2017, or further order of this Court.~~ The 13th Circuit Court is aware that rules regarding electronic filing have been published for comment by this Court. If this Court adopts electronic-filing rules during the pendency of the 13th Circuit Court Electronic Document Filing ~~Pilot Project~~, the 13th Circuit Court will, within 60 days of the effective date of the rules, comply with the requirements of those rules. In addition, it is anticipated that the 13th Circuit Court, along with other court locations that participated as e-filing pilot courts, will be among the first group of courts that will connect with any statewide system for the purposes of testing and early integration.

The 13th Circuit Court will ~~track the participation and effectiveness of this pilot program and shall report to and provide information as requested by the State Court Administrative Office.~~

1. Construction

The purpose of the transition period for e-filing pilot program is to continue successful e-filing efforts in the 13th Circuit and to coordinate with state efforts, through a vendor or otherwise, to build and operate a statewide system of e-filing. ~~study the effectiveness of electronically filing court documents in connection with the just, speedy, and economical determination of the actions involved in the pilot program.~~ The 13th Circuit Court may exercise its discretion to grant necessary relief to avoid the consequences of error so as not to affect the substantial rights of the parties. Except for matters related to electronically filing or service of documents during the transition period~~pilot program~~, the Michigan Rules of Court govern all other aspects of the cases involved in the project~~pilot~~.

2. Definitions

- (a) “Clerk” means the Antrim, Grand Traverse and Leelanau County Clerks.
- (b) “E-filing” means any court pleading, motion, brief, response, list, order, judgment, notice, or other document filed electronically pursuant to the ~~pilot~~ program.
- (c) “LAO” means all local administrative orders governing the 13th Judicial Circuit Court.
- (d) “MCR” means the Michigan Court Rules.
- (e) “Transition e-filing Pilot program” or “project” means the initiative by the 13th Judicial Circuit Court, the 13th Circuits’ Clerks and the Grand Traverse Information Technology Department in conjunction with OnBase Software, and under the supervision of the State Court Administrative Office. This e-filing application facilitates the electronic filing of pleadings, motions, briefs, responses, lists, orders, judgments, notices, and other documents during the period after enactment of statutory authority to fund and operate a statewide electronic filing system. All state courts in Michigan are envisioned as eventually permitting e-filing (with appropriate modifications and improvements). The 13th Circuit ~~pilot~~ program will begin testing with “C” or “N” type civil cases in Grand Traverse County. The Court plans to expand the ~~pilot program~~ to Antrim and Leelanau Counties. ~~The pilot program is expected to last approximately five (7) years, beginning on July 1, 2010.~~

- (f) “Technical malfunction” means any hardware, software, or other malfunction that prevents a user from timely filing a complete e-filing or sending or receiving service of an e-filing.

3. Participation in the ~~Pilot~~ Program

- (a) Participation in the ~~pilot~~ program shall be mandatory in all pending “C” or “N” type cases as part of Phase I and additionally in other case types as follows:

Phase II: “A” and “P” case types, including “PH” and “PP,” beginning with the effective date of this order.

Phase III: “DC,” “DO,” “DM,” and “DP” case types and all remaining divorce or family support case codes, beginning not less than one month after implementation of Phase II.

Phase IV: “FC,” “FH,” and all other remaining criminal case codes, beginning not less than six months after implementation of Phase III.

Participation shall be assigned following the filing and service of the initial complaint or other initial filing. At the discretion of the judge, participation may also include postdisposition proceedings in qualifying case types.

- (b) This is a mandatory e-filing project. It is presumed that all documents will be filed electronically. However, the Court recognizes that circumstances may arise that will prevent one from e-filing. To ensure that all parties retain access to the courts, parties that demonstrate good cause will be permitted to file their documents with the clerk, who will then file the documents electronically. Among the factors that the 13th Circuit Court will consider in determining whether good cause exists to excuse a party from mandatory e-filing are a party’s access to the Internet and indigency. A self-represented party is not excused from the project merely because the individual does not have counsel.

4. E-filings Submission, Acceptance and Time of Service with the Court; Signature

- (a) In an effort to facilitate uniform service within the scope of this project, the 13th Circuit Court strongly recommends electronic service.
- (b) Program participants must submit e-filings pursuant to these rules and the ~~pilot~~ program’s technical requirements. The clerk may, in accordance with MCR 8.119(C) reject documents submitted for filing that do not comply

with MCR 2.113(C)(1), are not accompanied by the proper fees, clearly violate Administrative Order No. 2006-2, do not conform to the technical requirements of this ~~pilot~~-project, or are otherwise submitted in violation of a statute, an MCR, an LAO, or the program rules.

- (c) E-filings may be submitted to the court at any time, but shall only be reviewed and accepted for filing by the clerk's office during the normal business hours of 8 a.m. to 5 p.m. E-filings submitted after business hours shall be deemed filed on the business day the e-filing is accepted (usually the next business day). The clerk shall process electronic submissions on a first-in, first-out basis.
- (d) E-filings shall be treated as if they were hand-delivered to the court for all purposes under statute, the MCR, and the LAO.
- (e) A pleading, document, or instrument e-filed or electronically served under this rule shall be deemed to have been signed by the judge, court clerk, attorney, party or declarant.
 - (i) Signatures submitted electronically shall use the following form: /s/
John L. Smith.
 - (ii) A document that requires a signature under the penalty of perjury is deemed signed by the declarant if, before filing, the declarant has signed a printed form of the document.
 - (iii) An e-filed document that requires a signature of a notary public is deemed signed by the notary public if, before filing, the notary public has signed a printed form of the document.
- (f) The original of a sworn or verified document that is an e-filing (e.g., a verified pleading) or part of an e-filing (e.g. an affidavit, notarization, or bill of costs) must be maintained by the filing attorney and made available upon reasonable request of the court, the signatory, or opposing party.
- (g) Proposed orders shall be submitted to the court in accordance with the provisions of the ~~pilot~~-program. The court and the clerk shall exchange the documents for review and signature pursuant to MCR 2.602(B).
- (h) By electronically filing the document, the electronic filer affirms compliance with these rules.

5. Time for Service and Filing of Pleadings, Documents, and Motions; Judge's Copies, Hearings on Motions; Fees

- (a) All times for filing and serving e-filings shall be governed by the applicable statute, the MCR and the LAO as if the e-filings were hand delivered.
- (b) The electronic submission of a motion and brief through this ~~pilot~~ program satisfies the requirements of filing a judge's copy under MCR 2.119(A)(2). A judge may require that one "courtesy copy" or "chambers copy" of any dispositive motion and all accompanying exhibits, as well as responses and replies, or any motion and brief in which the motion, brief, and attachments equal 40 pages or more be submitted directly to the judge's chamber in paper format. Any exhibits must be appropriately tabbed. Good practice requires that in appropriate cases, relevant portions of lengthy documents be highlighted. A printed copy of the e-filing transmission receipt must be attached to the front of the pleading. The requirement to provide a "courtesy copy" or "chambers copy" at a judge's request shall expire on May 22, 2018.
- (c) Applicable fees, including e-filing fees and service fees, shall be paid electronically through procedures established by the clerk's office at the same time and in the same amount as required by statute, court rule, or administrative order.

- (i) ~~Each e filing is subject to the following e filing fees.~~

~~Type of Filing Fee~~

~~EFO (e filing only)~~

~~\$5~~

~~EFS (e filing with service)~~

~~\$8~~

~~SO (service only)~~

~~\$5~~

- (ii) ~~Users who use credit cards for payment are also responsible for a 3% user fee.~~

6. Service

- (a) All parties shall provide the court and opposing parties with one e-mail address with the functionality required for the ~~pilot~~ program. All service shall originate from and be perfected upon this e-mail address.
- (b) Unless otherwise agreed to by the court and the parties, all e-filings must be served electronically to the e-mail addresses of all parties. The subject matter line for the transmittal of document served by e-mail shall state: “Service of e-filing in case [insert caption of case].”
- (c) The parties and the court may agree that, instead of e-mail service, e-filings may be served to the parties (but not the court) by facsimile or by traditional means. For those choosing to accept facsimile service:
 - (i) the parties shall provide the court and the opposing parties with one facsimile number with appropriate functionality,
 - (ii) the facsimile number shall serve as the number to which service may be made,
 - (iii) the sender of the facsimile should obtain a confirmation delivery, and
 - (iv) parties shall comply with the requirements of MCR 2.406 on the use of facsimile communication equipment.
- (d) Proof of Service shall be submitted to the 13th Circuit Court according to MCR 2.104 and these rules.

7. Format and Form of E-filing Service

- (a) A party may only e-file documents for one case in each transaction.
- (b) All e-filings shall comply with MCR 1.109 and the technical requirements of the court’s vendor and, after implementation, the vendor implementing the statewide e-filing system.
- (c) Any exhibit or attachment that is part of an e-filing must be clearly designated and identified as an exhibit or attachment.
- (d) All e-filings, subject to subsection 6(c) above, shall be served on the parties in the same format and form as submitted to the court.

8. Pleadings, Motions and Documents not to be E-filed

The following documents shall not be e-filed during the ~~pilot~~ program and must be filed by the traditional methods provided in the MCR and the LAO:

- (a) documents to be filed under seal (pursuant to court order),
- (b) initiating documents, and
- (c) documents for case evaluation proceedings.

9. Official Court Record; Certified Copies

- (a) For purposes of this ~~pilot~~ program, e-filings are the official court record. An appellate record shall be certified in accordance with MCR 7.210(A)(1).
- (b) Certified copies or true copies of e-filed documents shall be issued in the conventional manner by the clerk's office in compliance with the Michigan Trial Court Case File Management Standards.
- (c) At the conclusion of the ~~pilot~~ program, if the program does not continue as a ~~pilot project or in some other format~~, the clerk shall convert all e-filings to paper form in accordance with MCR 8.119(D)(1)(d). Participating attorneys shall provide reasonable assistance in constructing the paper record.
- (d) At the conclusion of the ~~pilot~~ program, ~~if the program continues as a pilot project or in another format~~, the clerk shall provide for record retention and public access in a manner consistent with the instructions of the court and the court rules.

10. Court Notices, Orders, and Judgments

At the court's discretion, the court may issue, file, and serve orders, judgments and notices as e-filings. Pursuant to a stipulation and order, the parties may agree to accept service from the court via facsimile pursuant to the procedures set forth in Rule 6(c).

11. Technical Malfunctions

- (a) A party experiencing a technical malfunction with the party's equipment (such as Portable Document Format [PDF] conversion problems or inability to access the ~~program~~~~pilot~~ sites), another party's equipment (such as an inoperable e-mail address), or an apparent technical malfunction of the

court's ~~pilot~~-equipment, software, or server shall use reasonable efforts to timely file or receive service by traditional methods and shall provide prompt notice to the court and the parties of any such malfunction.

- (b) If a technical malfunction has prevented a party from timely filing, responding to, or otherwise perfecting or receiving service of an e-filing, the affected party may petition the 13th Circuit Court for relief. Such petition shall contain an adequate proof of the technical malfunction and set forth good cause for failure to use nonelectronic means to timely file or serve a document. The Court shall liberally consider proof of the technical malfunction and use its discretion in determining whether such relief is warranted.

12. Privacy Considerations

- (a) With respect to any e-filing, the following requirements for personal information shall apply:
 - (i) Social Security Numbers. Pursuant to Administrative Order No. 2006-2, full social security numbers shall not be included in e-filings. If an individual's social security number must be referenced in an e-filing, only the last four digits of that number may be used and the number specified in substantially the following format: XXX-XX-1234.

 - (vi) Home Addresses. With the exception of a self-represented party, full home addresses shall not be included in e-filings. If an individual's home address must be referenced in an e-filing, only the city and state should be used.
- (b) Parties wishing to file a complete personal data identifier listed above may:
- (i) Pursuant to and in accordance with the MCR and the LAO, file a motion to file a traditional paper version of the document under seal. The court, in granting the motion to file the document under seal, may still require that an e-filing that does not reveal the complete personal data identifier be filed for the public files.
- Or
- (ii) Pursuant to and in accordance with the applicable MCR and LAO, obtain a court order to file a traditional paper reference list under seal. The reference list shall contain the complete personal data identifiers and the redacted identifiers used in the e-filing.
