Refer to ADM File No. 2015-12.

“If adopted, the rules will provide clear guidance to judges throughout the state that they can’t send people to jail unless they make a determination that the person has the ability to pay.”

This is a Load of crap the "POOR" should not get special consideration on a punishment over "NOT POOR" individuals. You need to treat all individuals equally young, old , collard, rich, poor, to think we need special rules and punishments for rich and poor is just crap!!!
