Subject: Please approve indigent defense standards

Dear Michigan Courts,

If not for justice, compassion, and the good of society, Indigent Defense Standards should be upheld for economic reasons. Mass incarceration is very expensive. It is better to allow a guilty person to go free than to convict an innocent person. Once an innocent person is convicted, law enforcement quits looking for the actual criminal who is free to commit new crime with new victims.

Respectfully,

Marie Callahan

Don't fault. Find remedy.
