OPINION AND ORDER OF THE COURT

DENIAL OF PLAINTIFF'S MOTION FOR ENTRY OF PARTIAL JUDGMENT

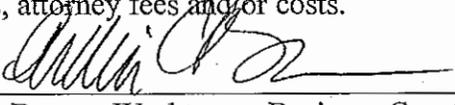

At a session of the Court
Held in Ann Arbor, MI
On August 14, 2013

Eden, Inc. ("Eden"), filed its emergency motion for entry of partial judgment requesting various forms of relief. American Soy Products, Inc. ("ASP"), filed its response to Eden's motion objecting to the relief requested and seeking sanctions pursuant to MCR 2.114.

This Court issued its Opinion and Order on the parties competing Motions for Summary Disposition on August 14, 2013. For the reasons set forth in that Opinion and Order, the Court denies Eden's motion in part and takes that balance under advisement pending trial.

Specifically, the Court reserves its ruling pending trial on damages owed by ASP to Eden, the disposition of the monies held in escrow, and any other relief as the Court deems just, equitable or appropriate, including an award of sanctions, attorney fees and/or costs.

IT IS SO ORDERED.

Archie C. Brown, Washtenaw Business Court Judge
