Subject: PC 577, Inventory

Since the creation of PC 674 (Inventory, Conservatorship), this form is still used for estates, trusts, and other files where an inventory is ordered. The heading could include checkboxes for Estates, Trusts, and Other. The checkboxes for inventory date need to remain as long as the form is not used exclusively for estates. MCR 5.409(B) should be removed from the citations.
