Subject: PC 600, Notice of Deficiency - Corrected Comment

The issue raised by the change request is covered by Notice of Intent to Close, PC 589. It is a different procedure than Notice of Deficiency.

MCL 700.3951(3) says the court 'may' - not the court 'shall' - so argument could be made for notice of deficiency under MCR 5.203. However, MCR 5.203 specifically makes an exception for MCL 700.3951.

Respectfully submitted,
