The request is made to modify the form for use in files other than estates. MCR 5.203(D) applies to all types of fiduciaries. A change could be made to the heading ("File Not Closed" instead of "Estate Not Closed") for clarification. MCR 5.144 should be removed from reference at the bottom of the form, as this refers to administratively closed files, and this form is no longer used for that purpose.

Respectfully submitted,

An additional request is submitted to add a box for 'to file annual report' to reasons for suspension under #1.
