On PC 637, Order Following Review of Guardianship, I think that is an excellent suggestion. Too many times our guardians do not file reports the next year because the Court did it for them.

PC 660, Order Appointing Guardian fo Individual with a Developmental Disability. I think this is a great idea. We have needed something like this for a long time.

I would also like to comment on PC 669, Proof of Restricted Account and Annual Verification of Funds on Deposit. This is a good idea, because too many times persons come in with an old statement from three months ago. Or if they are delinquent in filing it, by the time they have one or two extensions, a couple of months will have gone by and they will provide statements for then rather than the anniversary date of their appointment.

Maybe more later. Haven't reviewed them all yet.
