RE: Fiscal Year 2017 Michigan Mental Health Court Planning Grant Announcement

Fiscal Year 2017 Michigan Mental Health Court Planning Grant applications will be open in WebGrants beginning August 1, 2016. **The funding opportunity is open for applications until August 26, 2016.**

This planning grant is for courts that are interested in establishing a mental health court and are in the early stages of development. Eligibility for funding requires the court to work collaboratively with the local community mental health service provider in developing the process and procedures for the program.

Applications are submitted through the WebGrants system. If your court has not submitted a prior grant application through WebGrants, a court employee must first register to create an account at <http://micourts.dullestech.net>.

For questions or further information regarding the Mental Health Court Planning Grant, please contact Marie Pappas at TrialCourtServices@courts.mi.gov or 517-373-2206.
