Michigan Supreme Court 2007 Annual Report

Circuit Court Statistical Supplement

This supplement contains caseload data provided by every circuit court in Michigan. The State Court Administrative Office, which compiles this data, thanks the courts and their case management system providers for their assistance.

2007 caseload data is provided in both summary and detail formats. The summary format is organized by categories that have been used in previous years' supplements to allow comparisons between each year's data. Each category is broken down by case type; case type codes are listed in the legend that follows. The detail format shows the totals for each case type.

For caseload trends analysis, see the *Michigan Supreme Court 2007 Annual Report*.
