TCS Release Notes
Fall 2013

These Release Notes summarize software fixes and forms changes which have been applied to your application.

IMPORTANT: Please forward or copy and distribute this announcement to the appropriate staff.

Forms

The following forms have been updated:

- **Order of Probation (CC243a):** Modified to accommodate Veteran Treatment Court cases.
- **Notice of Hearing on Petition for Personal Protection Order (CC381):** Removed reference to 'at least 1 day' and added the term 'proper' in the note to the petition at the foot of the form.
- **Order after Hearing on Violation of Valid Personal/Foreign Protection Order (CC384):** Added an option 4c.
- **Notice to Appear (CCNOT):** Added a line for issue date and a designation for the clerk of the court. Moved item 7.
- **Motion and Order to Show Cause (MC230):** Added use note in Certificate of Mailing
- **Order for Counseling and Testing for Disease/Infection (MC234):** Modified to removed item 7 because it is incorrect.
- **Order Placing Child After Consent (PCA320):** Added options in items 2 and 3, added new item 10, and corrected note to comply with the Michigan Indian Family Preservation Act.

Updates

Decedent Estate Administrative Fees Report (SCAO 67): Decedent Estate Administrative Fees Report has been added to the system. To access type **DEA** at the next line.

This report is to be run in January 2015 for report year 2014 and submitted to SCAO no later than March 30, 2015.

For more information regarding Probate Inventory Fees see previous release notes dated 3/28/2013.
