Subject: Mandatory v. Voluntary MI Bar Task Force Report comment

I am an out-of-state MI Bar member. Since I was born, raised, and educated in Michigan I personally have decided to keep up my bar membership as active since inactive status has so many restrictions. The over \$300 membership fee has seemed over the top for awhile. Recommendation 5 seems to be a step in the right direction to address the concerns of other members similarly situated. However, without some type of further follow-up (voluntary or court ordered) this recommendation is meaningless.

Thank you for the opportunity to provide a comment.

Sincerely,
Kathryn Gannon
