Subject: Task Force Report

Dear Sir/Madam:

I would like to voice my strong opposition to the adoption of the recommendations of the Task Force on the Role of the State Bar of Michigan. With respect to the two questions upon which the Supreme Court is seeking comment, my answer to both would be a resounding "no." The "President's Page" articles recently written in our Michigan Bar Journal monthly by State Bar President Brian D. Einhorn voice concerns and comments similar to my own as to why I oppose the recommendations of the task force.

Thank you for your consideration.

Sincerely,

Peter G. Bissett
